Hi Dr. Massey,

Thank you for taking the time to speak with me this morning. I don't have an email address for Mark, but please pass along my thanks to him as well.

Just to recap, our office's position is that no charge may be assessed for access to records when an individual is conducting an in-person inspection. Tenn. Code Ann. § 10-7-503(a)(7)(A). I was also able to locate an Attorney General opinion on this topic, Tenn. Op. Atty. Gen. No. 01-201 (February 8, 2001).

Happy to discuss further if either of you would like or answer any follow-up questions!

Thanks,
Toni
