RE: PUBLIC RECORDS REQUEST of 7/2/2026, Reference # W044967-070226

Dear [redacted],

The City received a public records request from you on 7/2/2026. Your request mentioned "Tennessee Public Records Act request re: permit COM-NEW-26-000025 ("Colossus Phase I Megapack"), a battery energy storage system at 3231 Paul R Lowry Rd (parcel 050101 00076). Requesting: complete permit file + plan sets; 2021 IFC ?1207.1.3 construction documents; Hazard Mitigation/FMEA (?1207.1.4); UL 9540/9540A fire-test data (?1207.1.5); battery specs (capacity, chemistry, manufacturer); separation/setbacks (?1207.5.1); fire suppression in lieu of sprinklers (?1207.5.5); fire detection + explosion control (?1207.5.4); secondary containment/toxic exhaust (?1207.4.7); emergency response plan; fire + operational permits/inspections (?1207.1.2); plan-review/variance records; utility-exclusion determination; public-notice records; and the structural/foundation "Footing" permits + seismic anchoring calculations (?1207.1.3 item 8). I am a Tennessee citizen; TN ID attached."

The City has reviewed its files and has located responsive records to satisfy your request. Some records have been delivered electronically via the City of Memphis Public Records Center. To access the responsive record(s), login to the FOIA portal located on the city of Memphis website (memphistn.gov/Government/City Attorney-Law/Access FOIA Portal/My FOIA Center/View My Requests).

Additionally, all other records are ready for pickup from Land Development Office located at 125 N. Main Street Suite 644. Please bring your check or money in the amount of $594.15 (no cash) to pay for the cost estimate you previously approved.

This completes your public records request with the City of Memphis.

Sincerely,

Public Records Office
City of Memphis
