Records Requested - Mississippi's January 16, 2026 notice of the MZX Tech draft permit

Attachment to the Shelby County Public Records Request Form of Rachel Hurley - the Records Requested section in full.

I am a Tennessee citizen requesting records under the Tennessee Public Records Act, TCA 10-7-503. A copy of my Tennessee driver's license is attached.

On Friday, January 16, 2026, at 6:09 PM, Jaricus Whitlock of the Mississippi Department of Environmental Quality (jwhitlock@mdeq.ms.gov) emailed Wasim Khokhar of the Shelby County Health Department (wasim.khokhar@shelbycountyttn.gov), along with one Arkansas and one Tennessee state address. The subject was "Draft Permit Documents for Public Notice (MZX Tech, LLC)," Air Ref. No. 0680-00119. It concerned MDEQ's draft air permit for MZX Tech, LLC's gas turbine plant at 2875 Stanton Road, Southaven, Mississippi.

Please treat each numbered item as a separate request. Each covers January 16, 2026 through March 31, 2026.

1. That email, as Wasim Khokhar received it, with its attachments.
2. Any email by which Wasim Khokhar forwarded that email or replied to it.
3. Any comment, letter or email sent by Wasim Khokhar to any mdeq.ms.gov address that contains "MZX" or "0680-00119".

If any of these records is posted online, a link is enough.

Electronic copies are fine. If any record or any part of one is withheld, please identify it and cite the specific legal basis in writing. If no responsive records exist for a numbered item, please say so in writing for that item. If any item needs clarifying, please contact me before denying it. Please contact me before incurring any charge above \$50.00.
