Hi Michael,

Great News! This grant has officially been signed over to me and now I am able to process the extension.

I am working on the extension now and am hoping to submit it by tomorrow!

Hi Erin,

I was wondering if there was any update regarding the transfer of the Shelby County IRA grant to your management? I know that the end of the grant period is rapidly approaching (July 31st) and we will need the remaining funds to pay for a year of an additional site operator as well as other purposes (as stated in the budget worksheet). We would also need written confirmation of the extension, as well. There is great concern regarding these remaining funds expiring. If you could give us an update, it would be greatly appreciated. Thank you for all your support!

Michael
