Thank you, Erin!

If we don't hear a response by tomorrow, will there be an issue that the grant expired before the extension was approved?

Michael

Good morning, Michael!

Thank you so much for your patience while I have been working to get this grant reassigned to me so that I can process this extension. I have great news; I have submitted the budget change and extension to GMO!

Please let me know if I can assist with anything else, and again, apologies for the delay but always grateful of your understanding! 😊

Thank you,
Erin Frew

Hi Erin,

I know we spoke about the one-year extension for the **5Q 03D173-24** grant (\$411,000) and you said that it had been approved. Our accounting department is concerned as today is the final day of the FY2025 for Shelby County Government. I was told that they would like to have confirmation of the extension in an e-mail or other form of writing. Can we get something in writing to confirm the extension? Thank you!

Michael
