Re: Freedom of Information Act Request: 2026-EPA-07703

Dear Rachel Hurley:

This letter concerns the above-referenced Freedom of Information Act (FOIA) request, received by the U.S. Environmental Protection Agency (EPA or Agency) on September 10, 2026, in which you requested:

"...t copies of the records previously released by EPA in response to request 2026-EPA-01932 (received 29 December 2025, Southern Environmental Law Center), together with the response letter issued.

That request sought records created, received, or reviewed by EPA related to a "Petition to Eliminate the Disparate Treatment of Portable Combustion Turbines Compared to Portable Reciprocating Internal Combustion Engines" drafted by the Coalition of Mobile Electric Turbine Users (COMET)."

The Office of Air and Radiation, EPA has concluded its search for records responsive to your request and has determined that your request is granted in full. The Agency is releasing 44 pages of records which were released as responsive records in 2026-EPA-01932 along with the final response letter (2 pages) issued in that matter.

The Agency has released the responsive records through the EPA FOIA Public Access Portal at <https://securefoia.epa.gov/app/ReadingRoom.aspx>. To obtain these records, go to the form at the bottom of the page, enter the FOIA request number of your request (**2026-EPA-07703**) in the "FOIA Case Number" box, and then click on the "Search" button. There is no cost to you for this request.

There is no cost to you for this request.
